

AJ Multimedia Course

Our Multimedia courses are suitable for those who have little or no experience in using Multimedia. Exciting things you will learn in this course include editing photos, creating Flash animations, creating your home videos, editing home video to add special effects, etc.

Our course will encourage students to become more creative, and explore a new hobby in discovering how computers can be used to create exciting multimedia.

本课教授如何御用多媒体软件如 Adobe Photoshop, Adobe Premier, Macromedia Flash 等等。

完成课程后, 您将懂得如何自造 Flash Animation. 您也会懂得把您的照片和手提摄影机拍的录影透过电脑加入许多以往手动剪接所不易做到的特效, 例如: 字幕、音讯、动画和影片衔接转场特效等效果。学员可利用这系统自编自导自演家庭回忆录, 一尝影视制作的滋味。
